

June 26, 2010

It is with great excitement that I formally announce the formation of the Poston Butte Golf Club Handicap Committee. In accordance with the requirements of the United States Golf Association, Arizona Golf Association, and Arizona Women's Golf Association, we initially formed the committee in April 2009. Since then, the Committee has met to discuss a variety of items relative to maintaining the integrity of our Club's handicap records. In addition to solidifying key processes of the Committee's responsibility, two members of the Committee have also completed required training conducted by the AGA/AWGA. Having now formally appointed a Handicap Chairperson, the Committee is now officially in place.

Committee Members are:

Kim Odegaard – Chairperson
Ken Blasko
Debbie Darling
Leonard Keeler
Brian Maron

As stated by the USGA, the Handicap Committee is responsible for all aspects of the Handicap System. Additionally, it is the responsibility of the Committee to verify that all acceptable scores are posted for handicap purposes and that recorded scores are available for peer review. A primary function of that responsibility will be the ability to notify players of any errors and assist in making corrections. Ultimately, the Committee is available to help each player with maintaining their handicap. Should you ever have any questions or concerns, please feel free to seek out one of the Committee members for assistance.

Thank you again for your support of Poston Butte Golf Club and the Anthem at Merrill Ranch Community!
